Writing Skills

A. Summarize paragraph 4 of the unit in three to four sentences. Ans. Patriotism keeps us alert in case of foreign attack. In the history of Pakistan, there are many examples when people sacrificed their lives in defending the country. Many brave soldiers laid down their lives in the 1965, 1971 and Kargil war. They were awarded Nishan-e-Haider which is the highest military award.

B. Summarize the unit in your own words.

Ans. Patriotism is love for one's country. A patriot is always ready to sacrifice for the sovereignty, integrity, honour and values of the country. Quaid-e-Azam wanted to protect the values, culture and traditions of the Muslims. So he gave them a sense of identity. Patriotism keeps us active in case of foreign attack. In our history, many people laid down their lives in different wars while fighting bravely. All were awarded Nishan-e-Haider, the highest military award because patriotism is not just a feeling but a passion that ever inspires and leads the nation

C. Which steps should we take to make our nation patriotic?

Ans. We should make them realize the importance of protection that our country provides. We should tell them about the preservation of the values, culture and traditions. We should remind them the sacrifices that our brave soldiers made for the defence of the country. We should tell them that it is a land of rivers, canals, greenery, trees and flowers. We should tell them that we eat its food and breathe its air.
